FROM THE DRIVER'S SEAT...

March 2010

Hello all!

Well, Spring is just around the corner and its time to get the tractors out, dust them off, make sure the batteries are charged up, and all that stuff we always do. We are going to have our next meeting at Leckler's Spring Open House. Leckler's asked the club members to bring tractors out to show them off for the open house during the day. It will start at 9:00 a.m. Leckler's has supported the club from the start, so we, as club members, need to support them too. So please come down to Lecklers on Sat. March 20th for the day and have some fun! We are going to have the children's Pedal Pull during the day. Adam at Lecklers will be putting on a maintenance class for the club members. They will have a tractor on a lift at the meeting for the "how to" class. Also, Bruce Park has been talking to the 4H Club to see about having a show with them, and to help out with the kids that are in 4H. The club was invited to the Farmfest on May 1st (more information to come). We are seeing new members showing interest in the club and its GREAT! Welcome new members! Hope to see you at the Leckler's!

RON
